...

SureFire Commerce's Bill Payment & Mail- Order Telephone- Order Processing system allows businesses to process payments from thousands of customers. Bill Payment & Mail- Order Telephone- Order Processing lets users process MasterCard and VISA credit cards, along with electronic checks. The system also includes back-end reporting, query, and data download tools. Bill Payment & Mail- Order Telephone- Order Processing integrates with existing applications. The product also handles a wide range of currencies. Tapping the system, businesses can speed invoicing and payments; increase sales; increase cash flow; and reduce billing costs. Bill Payment & Mail- Order Telephone- Order Processing also allows businesses to offer special credit terms to customers.
